International Pediatric Otolaryngology Update

Montreal, Quebec

May 5 - 6, 2013

Keynote Speaker: Dr Francoise Denoyelle

Honored Otolaryngologist: Dr William Novick
Program Overview
This conference is intended for practicing Pediatric and General Otolaryngologists interested in updating their knowledge in a broad spectrum of topics in the field of Pediatric Otolaryngology. An outstanding local and international faculty will provide a review of contemporary diagnosis and management techniques within their field of subspecialty expertise.

General Information
Accreditation Statement
This event is being evaluated as an Accredited Group Learning Activity as defined by the Maintenance of Certification program of the Royal College of Physicians and Surgeons of Canada. Each physician should claim only those hours of credit that he/she actually spent at the educational activity with a maximum of up to 11 credits in section 1. Through a reciprocal agreement between the American Medical Association and the Royal College of Physicians and Surgeons of Canada, participants can claim AMA PRA Category 1 credits up to a maximum of 11 credit hours.

Disclosures
Faculty members are expected to disclose to participants any discussion of off-label and/or investigational use of pharmaceutical products or devices within their presentations.

Registration Information
Registration fees include didactic material, breakfast, and lunch. Please fill form on last page.
