

The 12th Annual Otolaryngology- Head & Neck Surgery Update 2014 & The OMA Annual Otolaryngology - Head & Neck Surgery Section Meeting & Alumni & Friends Dinner University of Toronto

Saturday, February 8, 2014

Course Objectives

After active participation in this update meeting, participants will be able to:

- Describe clinical practice guidelines for tympanostomy tubes in children
- Explain the techniques of ultrasound evaluation of thyroid and parathyroid glands
- Contrast the management of patients with benign laryngeal pathologies
- Select appropriate therapies for the management of sudden sensorineural hearing loss
- Choose the appropriate management algorithm for patients with sinus surgery complications
- Compare the principles of fillers and injectables in facial rejuvenation

Course Description

This course is designed for the practicing otolaryngologist who wishes to enhance his or her knowledge on various topics spanning the different subspecialties of Otolaryngology-Head & Neck Surgery. The material will be presented via didactic lectures followed by audience participation in question and answer sessions along with panel discussions on management of interesting cases. iClickers will be used throughout each session to enhance audience participation. Please join us for a celebratory dinner afterwards.

Course Location

Li Ka Shing Knowledge Institute
Main Auditorium, 209 Victoria Street
Toronto (Underground parking is available below the Keenan Research Centre in the Li Ka Shing Knowledge Institute of St. Michael's Hospital. Enter from Victoria Street.)

Registration and Payment

Please register online at <http://alumni.utoronto.ca/otolaryngology2014>

We would like to start a tradition of honouring our alumni (residents and fellows) who **graduated 25 years ago**. However, for the first year, we need to honour all alumni who graduated in **1988 or earlier**. Your registration for Otolaryngology Update and dinner for two at the Alumni and Friends dinner will be **COMPLIMENTARY**. We hope you will be able to join us, be recognized for this milestone and reconnect with former friends and faculty!
We would still need a registration form and RSVP so we can get accurate numbers for the dinner in particular.

Fees/Registration
