Responsibilities/Duties:

**DYSPHAGIA PHYSICIAN**

The Division of Otolaryngology, Head & Neck Surgery, Department of Surgery, Faculty of Medicine & Dentistry at the University of Alberta and the Section of Otolaryngology, Head & Neck Surgery, Alberta Health Services – Edmonton Zone are accepting applications for the position of a Dysphagia physician.

The Division of Otolaryngology Head & Neck Surgery in Edmonton provides comprehensive services for a wide geographic area for northern Alberta and neighboring provinces. The Division is recruiting a dysphagia physician to start January 1st 2017.

Qualifications:

The successful candidate will provide medical and surgical management to patients with dysphagia in the Edmonton Zone. The successful candidate will be actively involved in the training of medical students, residents, clinical research, as well as contributing to the academic mission of the Division and the department of Surgery.

Undergraduate medical degree recognized by the College of Physicians and Surgeons of Alberta (CPSA), RCPSC certification in Otolaryngology – Head and Neck Surgery, and a fellowship in dysphagia care is required. A Master’s in public health with specialization in Health Economics is preferable.

Compensation: Fee-For-Service

Recruiter Contact:

Interested Applicants should forward their CV by December 15th 2016, accompanied with the names of three references to:
