How a division changed its research outlook</b></li> <li><b>2. Infrastructure and job description</b></li> <li><b>3. Future developments for maintaining momentum</b></li> </ol> <b>Dr H El-Hakim</b>

## Program Overview

This conference is intended for practicing Pediatric and General Otolaryngologists interested in updating their knowledge in a broad spectrum of topics in the field of Pediatric Otolaryngology. An outstanding local and international faculty will provide a review of contemporary diagnosis and management techniques within their field of subspecialty expertise.

## General Information

### Accreditation Statement

This event is being evaluated as an Accredited Group Learning Activity as defined by the Maintenance of Certification program of the Royal College of Physicians and Surgeons of Canada. Each physician should claim only those hours of credit that he/she actually spent at the educational activity with a maximum of up to 8.5 credits in section 1. Through a reciprocal agreement between the American Medical Association and the Royal College of Physicians and Surgeons of Canada, participants can claim AMA PRA Category 1 credits up to a maximum of 11 credit hours.

### Disclosures

Faculty members are expected to disclose to participants any discussion of off-label and/or investigational use of pharmaceutical products or devices within their presentations.

### Registration Information

Registration fees include didactic material, breakfast, and lunch. Please fill form on last page.

### Hotel Information

The following hotels are relatively close to the conference venue (short taxi ride) and offer great accommodation at a special rate. Please mention McGill University when making the reservations.
