The Peterborough Regional Health Centre (PRHC) is a 400 bed regional hospital. This is an exciting time of progressive change for our organization that serves a population of 300,000 people.

The Peterborough Regional Health Centre is a state of the art facility opened in 2008. The hospital is a spacious, bright and modern facility that has put a focus on the flow of patients and staff and has been recognized by the media and architectural associations for its innovative design.

Our Mission: We are a regional hospital building healthier communities with our patients and partners.

Our Vision: Exceeding Your Expectations Every Day

Our Values: Guided by You; Doing it Right; Depend on Us
