Take a virtual tour of our clinic with this short video clip : <https://youtu.be/Q7R0MqELs7A>
Visit our websites: www.grandgenesishealth.com and www.grandgenesisplasticsurgery.ca

Specialties currently provided at the facility:

- Vitrectomy
- Ophthalmology
- Gynecology
- Rheumatology
- Gastroenterology
- Internal medicine
- Orthopedics
- Cataract surgery
- ENT
- General surgery
- Plastic/Aesthetic surgery
- Urology
- Endoscopy

- Fresh Graduates are welcome.
- Established Referral Network: With an established network of Family Doctors referring patients, you'll have a steady stream of cases.
- OHP Level 3 Health Facility: Two main operating rooms with general anesthesia fully equipped. This provides a unique opportunity for ENT specialists interested in performing Rhinoplasty, Otoplasty, and other aesthetic plastic surgeries. Enjoy flexible scheduling and the possibility to bring your own plastic cases or let us handle the marketing to recruit plastic surgery cases for you.
