

## **FULL TIME OTOLARYNGOLOGIST, AMHERST, NOVA SCOTIA**

### **Community Details**

Amherst is a border community in Nova Scotia, just minutes away from New Brunswick and Confederation Bridge to PEI. For those who enjoy the outdoors lifestyle the area is a wonderful four season setting for golfing, hiking, both cross country and downhill skiing, cycling as well as near beautiful warm sandy beaches. There is ample opportunity to explore the area including the UNESCO Heritage Site Joggins Fossil Cliffs, the highest tides in the world and Cape Chignecto Park, a hiker's paradise. With Mount Allison University nearby, this is an excellent community to live and work and play.

### **Practice Details**

The Department of Otolaryngology currently has 2 full time otolaryngologists with one hoping to retire soon, so the successful candidate would be taking over a well-established practice. Full spectrum General Otolaryngology with an interest in otology would be an asset. It is conveniently located in the Cumberland Regional Health Care Centre a regional hospital, with OR across the hall and ER and Ambulatory Care centres just below. Superbly equipped modern office with multiple scopes, equipment and reprocessing all supplied by hospital. There is minimal overhead, and fully functioning Accuro EMR and call requirements are minimal.
