

## General Otolaryngologist Opportunity

If you've got an independent CPSO licence and want to work as a general ENT, we are a perfect match—because that's exactly what we're looking for!

### Where on Earth is CKHA?

Located way down at the southern tip of Ontario (but only 3 hours from Toronto and 1 hour to Detroit), Chatham isn't called the banana belt of Canada for nothin'. We ranked 27th best in the whole country by Maclean's Magazine—so even if you don't trust us yet, they're a solid source of info.

### But wait...Show me the Money!

Generous OR (1 day/week minimum) and complimentary in-hospital ambulatory care/consult space (1.5 days/week minimum) will help you provide a full range of general otolaryngology services.

On top of your FFS billings, all call is eligible for HOCC payments of \$486.27 made directly to you. Hospital call is 80% coverage but don't fret, our ER is amazing so call is very light. Call will be shared equally amongst all ENTs, regardless of tenure—sharing is caring!

Generous financial recruitment incentives (\$\$\$) are currently being offered for fulltime recruits. Plus, the cost of living here is lower than most areas, so you get to keep more of what you earn.

### Want More?

- We're proudly linked to Schulich School of Medicine. Become an Adjunct Professor with Western University and teach the next generation of medical students and residents your craft.
- Passionate about surgical procedures? Surgical Assist and keep all of the FFS billings.
- Provide CPSO supervision for a colleague with a restricted licence? Get \$250/month for your time.
- Access to Green Shield Canada health and dental group benefits
- Complimentary EAP counseling for your entire immediate family via Family Service Kent
- VIP \$45/month parking
