## Otolaryngologist

Comox, Vancouver Island, BC

The Division of Otolaryngology of Island Health has a full-time position for an otolaryngologist in Comox on Vancouver Island.

The successful candidate will hold FRCS(C) qualification in Otolaryngology-Head and Neck Surgery. The candidate will also have an interest in General Otolaryngology and will be expected to participate in an on-call roster, providing tertiary care coverage for Vancouver Island. Participation in teaching through the University of British Columbia (UBC) Island Medical Program is expected. Academic appointment through UBC is available to qualified applicants.

Located in the north central region of Vancouver Island the seaside Town of Comox, along with the neighbouring communities of Courtenay and Cumberland, comprises one of the fastest growing areas on the island. The Comox Valley, home to Vancouver Island's pre-eminent ski resort of Mt. Washington, is also the gateway to Strathcona Park and the Desolation Sound group of Islands. The recreational options here are endless, and well complemented by thriving arts and culture communities and a wide array of boutiques, restaurants and fine dining. Located in proximity to the city of Vancouver, Vancouver Island has a population of 800,000 and offers diverse family friendly communities with affordable housing and strong public and private schools. With its rich heritage and vibrant cultural scene, this is the perfect place to start your newest adventure.
