PAPER: EDUCATION

CHAIR: Dr. F. Gigi Osler, Winnipeg

Learning Objectives: See individual papers' learning objectives at: <http://www.entcanada.org/wp-content/uploads/Paper-Abstracts-Education.pdf>

☐ Attended, but do not wish to evaluate.

Please **CIRCLE** the appropriate rating

1. Subject content of the presentations	Poor	Fair	Good	Very Good	Excellent
2. Did the session meet the learning objectives as listed?	Not at all	Limited Degree	Significant Degree	Completely	
3. Was the program well-paced within the allotted time?	Not at all	Limited Degree	Significant Degree	Completely	
4. Was the presenter(s) knowledgeable on the topic(s)?	Not at all	Limited Degree	Significant Degree	Completely	
5. Perceived commercial bias in presentations	Yes	No	Explain:		
6. Identify at least one way in which this CPD session will change your practice:					
7. Give us suggestions on how to improve this session OR suggestions for future CME/CPD topics:					

SUB-TOTAL _____ CPD hrs.

Monday, June 8 @ 16:00 – 17:15 Meeting Room 4/5 CPD Credit Hours = 1.25

WS#26 The Best Articles of the Last Year in Otolaryngology for the General Otolaryngologist – J.-P. Vaccani, A. Lamothe, S. Johnson-Obaseki, D. Schramm, S. Kilty, Ottawa, ON

Learning Objectives: By the end of the session, the audience member will be able to identify three new and important publications which have been published during the last year in the subspecialty domains of oncology, rhinology, otology and pediatrics.

☐ Attended, but do not wish to evaluate.

Please CIRCLE the appropriate rating

1. Subject content of the presentations	Poor	Fair	Good	Very Good	Excellent
2. Did the session meet the learning objectives as listed?	Not at all	Limited Degree	Significant Degree		Completely
3. Was the program well-paced within the allotted time?	Not at all	Limited Degree	Significant Degree		Completely
4. Was the presenter(s) knowledgeable on the topic(s)?	Not at all	Limited Degree	Significant Degree		Completely
5. Perceived commercial bias in presentations	Yes	No	Explain:		
6. Identify at least one way in which this CPD session will change your practice:					
7. Give us suggestions on how to improve this session OR suggestions for future CME/CPD topics:					

Monday, June 8 @ 8:00 – 8:55 Pan Am Room CPD Credit Hours = .1.0

WS #17 Temporal Bone Radiology by the Otologist for the Otolaryngologists – J. Kuthubutheen, Crawley, W. Australia, E. Hwang, O. Hilly, V. Lin, Toronto, ON

Learning Objectives: At the end of this workshop, participants should be able to: 1. Recognize the radiological features of common temporal bone pathologies 2. Recognize the pitfalls associated with temporal bone radiology interpretation 3. Correlate the radiological findings with the clinical presentation to direct further management

☐ Attended, but do not wish to evaluate.

Please CIRCLE the appropriate rating

1. Subject content of the presentations	Poor	Fair	Good	Very Good	Excellent
2. Did the session meet the learning objectives as listed?	Not at all	Limited Degree	Significant Degree		Completely
3. Was the program well-paced within the allotted time?	Not at all	Limited Degree	Significant Degree		Completely
4. Was the presenter(s) knowledgeable on the topic(s)?	Not at all	Limited Degree	Significant Degree		Completely
5. Perceived commercial bias in presentations	Yes	No	Explain:
