

**72nd Annual Meeting
June 17-19, 2018
Quebec City Convention Centre, QUEBEC, QC**

“Otolaryngology-Head & Neck Surgeons – Leaders in Education”

2018 SESSION-SPECIFIC EVALUATION FORMS

Overall Learning Objectives

This meeting provides learners in the specialty of Otolaryngology – Head and Neck Surgery (including general and subspecialty otolaryngologists as well as resident and medical student trainees) a significant opportunity to attend sessions of interest and acquire further understanding and knowledge in areas of perceived / unperceived weakness in the specialty. All branches of the specialty, including head & neck oncology, laryngology, rhinology, otology, neurotology, pediatric otolaryngology, facial plastic and reconstructive surgery, general otolaryngology, sleep disorders, and medical education, are part of the program.

We will run three concurrent sessions of workshops and podium presentations. This provides delegates with a great variety of learning opportunities. As always, there will be ample time allotted for enhanced dialogue, discussion and interaction with the various presenters. In keeping with the theme of this year’s meeting, guest speakers will present their areas of expertise through plenary talks and workshops. Increased numbers of workshops will give each learner practical and adoptable knowledge to use immediately in practice when they return home. We will also have a series of pre-convention courses designed to give impactful hands-on experience to attendees. This year’s program will include workshops and presentations for the community-based practitioners, continued information on technological advancements, and popular updates in a variety of topics.

**This meeting is an Accredited Group Learning Activity (Section 1)
as defined by the Maintenance of Certification Program of the Royal College of
Physicians and Surgeons of Canada and approved by the CSOHNS.**

INSTRUCTIONS ON HOW TO RECEIVE YOUR OFFICIAL CERTIFICATE OF ATTENDANCE:

In this booklet you will find **ALL** the session-specific evaluation forms for the meeting. Please complete the appropriate sections and return the booklet to either the meeting's **REGISTRATION DESK** (by the end of the meeting) or the **SOCIETY'S OFFICE BY July 15th**. Your certificate will be sent according to the instructions below.

If you feel **CONFIDENTIALITY** is an issue, **DETACH** this sheet and send it to us **SEPARATELY**. Your opinion and feedback is **ESSENTIAL**. It will be used to help plan future CPD/CME events.

Sunday, June 17 @ 08:00 – 9:45

Salon 200C

CPD Credit Hours = 1.75

OPENING PLENARY SESSION I

Guest of Honour Presentation – H. Lampe, *Palm Springs, FL*

Lifetime Achievement Award Presentation – S. Frenkiel, *Montreal, QC*

Guest Speaker Presentation – “Clinically Relevant Phenotypes in CRS” – R. Harvey, *Sydney, Australia*

Learning Objectives: *N/A*

Attended, but do not wish to evaluate.

Please CIRCLE the appropriate rating

1. Subject content of the presentations	Poor	Fair	Good	Very Good	Excellent
2. Did the session meet the learning objectives as listed?	Not at all	Limited Degree	Significant Degree	Completely	
3. Was the program well-paced within the allotted time?	Not at all	Limited Degree	Significant Degree	Completely	
4. Was the presenter(s) knowledgeable on the topic(s)?	Not at all	Limited Degree	Significant Degree	Completely	
5. Perceived commercial bias in presentations	Yes	No	Explain:		
6. Identify at least one way in which this CPD session will change your practice:					
7. Give us suggestions on how to improve this session OR suggestions for future CME/CPD topics:					

Sunday, June 17 @ 10:20 – 11:55

Salon 200C

CPD Credit Hours = 1.75

OPENING PLENARY SESSION II

Guest Speaker Presentation, A. Picard, *Montreal, QC* – “Private vs. Public, Necessary vs. Unnecessary: Where Do We Draw the Lines on Medicare Coverage”

COHNS Collaborative Research Initiative Presentation A. Nichols, *London, ON*, T. Eskander, *Toronto, ON*

Education in Canada – K. Fung, *London, ON*, F.G. Osler, *Winnipeg, MB*

Hodge Memorial Award Recipient– V. Biron, *Edmonton, AB* – “Analytic and Clinical Validity of Thyroid Nodule Mutational Profiling Using Droplet Digital Polymerase Chain Reaction”

Learning Objectives: *N/A*.

Attended, but do not wish to evaluate.

Please CIRCLE the appropriate rating

1. Subject content of the presentations	Poor	Fair	Good	Very Good	Excellent
2. Did the session meet the learning objectives as listed?	Not at all	Limited Degree	Significant Degree	Completely	
3. Was the program well-paced within the allotted time?	Not at all	Limited Degree	Significant Degree	Completely	
4. Was the presenter(s) knowledgeable on the topic(s)?	Not at all	Limited Degree	Significant Degree	Completely	
5. Perceived commercial bias in presentations	Yes	No	Explain:		
6. Identify at least one way in which this CPD session will change your practice:					
7. Give us suggestions on how to improve this session OR suggestions for future CME/CPD topics:					

SUB-TOTAL _____ CPD hrs.

Sunday, June 17 @ 13:30 – 14:15**Salon 200C****CPD Credit Hours = 0.75****Panel Discussion: “: Big “T” Technology: Does It Provide Value for Our Patients?” – Moderator: A. Picard, Montreal, QC**

Panelists: M.J. Olivier, Montreal, QC, T. Wallace, Amherst, NS, J. de Almeida, Toronto, ON, J. Jones, Winnipeg, MB

Learning Objectives: *Not Available* Attended, but do not wish to evaluate.**Please CIRCLE the appropriate rating**

1. Subject content of the presentations	Poor	Fair	Good	Very Good	Excellent
2. Did the session meet the learning objectives as listed?	Not at all	Limited Degree	Significant Degree	Completely
