

Part-Time Otorhinolaryngologist, Hawkesbury, Ontario

Introduction

The Hawkesbury & District General Hospital (HGHC) is looking for a part-time Otorhinolaryngologist to join our ambulatory and surgical teams. Start dates and schedule are flexible and to be based on the candidate's availability.

Clinical Setting and Duties

Our team of 3 Otorhinolaryngologists offer services to the residents of Eastern Ontario and Western Quebec. Our population is 70% francophone so bilingualism is a must. HGHC provides attractive benefits such as no overhead expenses and the opportunity to work in our beautiful, newly constructed ambulatory care department. Additionally, our ORs have been recently renovated to introduce plenty of natural lighting and are fully equipped with brand new equipment.

Training

Certification from the Royal College of Physicians and Surgeons of Canada or equivalent and license with the College Physician and Surgeons of Ontario.

Setting

HGHC is a family and patient-centred bilingual community hospital with a regional focus. Our current team of over 160 physicians and 700 employees is committed to excellence in healthcare and relies on teamwork, innovation, and leadership. HGHC is also a proud member of The Atlas Alliance and therefore uses the paperless EMR: EPIC, allowing for increased efficiency and patient safety.

HGHC is located at 1111 Ghislain in beautiful Hawkesbury along the Ottawa River. The small community offers the perfect work-life-home-life balance with beautiful scenery and all necessary amenities. Also, if you are looking for a rural hospital, close enough to commute to from the big city, Hawkesbury is located only 1 hour from both Montreal and Ottawa.

Apply Now

Interested applicants should send their CV to Medical Affairs via email physicianrecruitment@hgh.ca and visit www.hgh.ca!
