

**Community Details – Kelowna**

Glistening water below lush mountains, dotted with parks frame the Okanagan's largest and liveliest population centre; Kelowna. Okanagan Lake is the perfect place to sail, kayak, or relax on the beach. Rolling greens offer world class golfing, minutes away from spectacular hiking and biking trails. In the winter enjoy ski resorts and skating rinks right at your fingertips. Decorated with heritage buildings and modern architecture, Kelowna offers something for everyone with orchards, vineyards and all the amenities of a major centre. From restaurants and shops, to art galleries, live music and theatre, this city has it all.

**Clinic Details — Kelowna General Hospital:**

Kelowna General Hospital (KGH) is one of two tertiary hospitals within Interior Health and is the region's main referral center offering a full range of services with approximately 400 beds and over 78,000 ED visits yearly. Adjacent to Kelowna General is the new Interior Heart & Surgical Centre (IHSC), BC's only cardiac critical care centre outside of Victoria and the Lower Mainland. IHSC is Kelowna General Hospital's principal surgical site and features 12 specialized Operating Rooms. Our state of the art Centennial Building boasts an expanded emergency and ambulatory care department, larger operating rooms and a rooftop helipad.

KGH is also a teaching centre for the Southern Medical Program affiliated with UBC and located near a BC Cancer Agency centre that provides assessment and diagnostic services, chemotherapy, radiation therapy and supportive care. The Sindi Ahluwalia-Hawkins BC Cancer Centre works closely with Interior Health and community partners and provides treatment and support to patients in BC's southern Interior including the Boundary, Cariboo, Kootenay, Okanagan, Similkameen and Thompson regions.

**Practice Details:**

Kelowna is seeking an Otolaryngologist with a Fellowship in Head and Neck Surgery to join our team. Along with specialized head and neck surgery and care, the successful candidate will also be expected to provide general otolaryngology services, participate in teaching of medical students, and take call.

As this position is replacing a department member who is decreasing their hours, the operative time will be shared with the current three full-time members. One half day of Ambulatory Care time per week is available, as well as the opportunity to utilize existing office space.

The OR is fully equipped with CO2 laser, Medtronic Fusion Image Guidance System, Medtronic Nerve Integrity Monitor, operating microscopes and paediatric bronchoscopy, making an easy start for any new physician.

If you are passionate about your work and looking to practice in a welcoming community where the lifestyle opportunities are endless, join us at KGH and discover the rewards of career satisfaction.
