

Locum Otolaryngologist -- Mackenzie Health

Mackenzie Health is currently seeking a Locum Otolaryngologist to start in June/July 2024, though flexible start. This is a temporary locum position with a minimum commitment of three months, with the possibility of an extended term. Locum otolaryngologist would have access to available resources within the Department of Surgery, Division of Otolaryngology for general otolaryngology services. The Otolaryngologist would be expected to provide an equal share of on-call coverage within the Department. Responsibilities include conducting ENT surgeries, maintaining regular OR time, hosting a weekly procedure clinic, participating in on-call duties, and covering office duties. Competitive compensation, flexible scheduling, and a supportive work environment are offered.

The physician must complete a full credentialing application and the physician will be credentialed according to the terms specified in the Hospital Bylaws. Requirement - Medical degree approved by the College of Physicians and Surgeons of Ontario (CPSO) required, Post graduate training in otolaryngology, FRCSC. Interested Candidates should submit their curriculum vitae as soon as possible to: sophie.stratos@mackenziehealth.ca & sunita.raai@mackenziehealth.ca
