

WE'RE HIRING! OTOLARYNGOLOGIST

LIVE IN ALBERTA

Alberta offers universal health care, lower tax rates and a free public school system. The City of Medicine Hat strives to achieve its vision to be a "Community of Choice"; a place where people choose to live, work and play. Medicine Hat experiences the lowest combined tax rate in Canada, the lowest utility rates in Alberta and an enviable climate. Known as the "oasis of the prairies", Medicine Hat is also Canada's sunniest city. More information is available at <https://www.movetomedicinehat.ca/>

WORK IN MEDICINE HAT

The Medicine Hat Regional Hospital (MHRH) is an acute care facility, which also includes sub-acute/restorative care beds serving South East Alberta with a catchment population of ~110,000. MHRH has 246 acute care beds, 30 geriatric beds, 10 ICU beds and 7 NICU bassinets. MHRH is an accredited Level 3 Trauma Centre providing coverage in Pediatrics, Geriatrics, General Surgery, Internal Medicine, Obstetrics & Gynecology, ENT, Urology, Orthopedics, Ophthalmology, Plastic Surgery and Cancer services.

THE SUCCESSFUL CANDIDATE

- Establish and maintain a full-time Otolaryngology practice in the community of Medicine Hat;
- Provide inpatient consultations at MHRH to the Department of Surgery and community consultations within Medicine Hat;
- Interest and expertise in Rhinology and/or Otology would be an asset;
- Obtain and maintain an AHS Medical Staff Appointment and appropriate privileges to provide the services;
- Work collaboratively with peers and care team colleagues as a member of the ZCD of Surgery in support of patient care;
- Participate in quality improvement programs and initiatives.
