

## **Otolaryngologist Opportunity in Bangor Maine**

**Northern Light Eastern Maine Medical Center** is actively seeking a BC/BE General Otolaryngologist to join our hospital-employed, multi-specialty surgical practice. This is a great opportunity to become a part of a strong team, with multiple interests. With a strong regional referral base of 500,000 plus patients, this is a great chance to develop your skills at the regions only tertiary care and Level II Trauma center. You will be joining an amazing team of ENT surgeons, as well as a fellowship trained Head & Neck Oncology surgeon. General ENT work and participation in the call rotation is required but you will also be supported by a full staff of Otolaryngologists, Physician Assistants, Audiologists, and a fellowship trained skull-based neurosurgeon.

### **NL EMMC offers competitive compensation and benefits package including:**

- Flexible schedules and exceptional work/life balance with a 1:5 call rotation
- A broad range of sub-specialty support (including neurosurgery)
- Student loan reimbursement programs - up to \$20k per year with no lifetime maximum benefit
- Relocation bonus
- Sign-on bonuses
- Exceptional work/life balance and competitive PTO package
- Leadership and teaching opportunities, if desired
- J-1 waiver opportunities available

**Northern Light Eastern Maine Medical Center** is committed to making healthcare work for the people of Maine. It is a 411- bed, regional tertiary care and ACS verified level II trauma center serving a patient population of 500,000 living in the northern two-thirds of the state's geography. The hospital is a base for LifeFlight of Maine, a critical care air transportation service flying approximately 1,000 missions per year. Northern Light Eastern Maine Medical Center is a member of Northern Light Health, an integrated statewide health delivery system that is raising the bar with no-nonsense solutions that are leading the way to a healthier future for our state. Northern Light Health offers a broad range of providers and services, including ten hospitals, primary care and specialty physician practices, long-term care, home health and hospice agencies, and emergency ground and air transport.

**Bangor, Maine** is a vibrant small city with easy access to Maine's spectacular coast, mountains, and lakes. Schools rank among New England's best with the flagship campus of the University of Maine located in the neighboring town of Orono.

Bangor serves as the regional hub for medicine, the arts, and commerce. Bangor International Airport offers direct and one-stop service to most major destinations.
