

Position: Community Otolologist

Location: Lakeshore Hospital, Montreal, Canada
Community hospital affiliated with McGill University

About us:

Lakeshore Hospital is a community hospital affiliated with McGill University dedicated to providing exceptional medical care to our community. Our group currently consists of 4 fellowship trained Otolaryngologists.

Position Overview:

We are seeking a skilled and compassionate Community Otolologist to join our dynamic medical team at Lakeshore Hospital. As a Community Otolologist, you will play a vital role in diagnosing, treating, and managing disorders related to the ear, hearing, and balance. Your expertise will contribute to our mission of delivering high-quality, comprehensive ear and hearing care to patients within our community.

The position includes:

- Outpatient clinic time once per week at our outpatient center
- Regular OR time based on the surgeon's wait time
- On call duties divided equally amongst the surgeons

Qualifications:

- Medical degree from an accredited institution.
- Board certification from the Royal College of Surgeons in Otolaryngology.
- Fellowship training in Otology strongly preferred.
- Proven experience and expertise in diagnosing and treating various otologic conditions.
- Proficiency in performing otologic surgical procedures
- Ability to communicate with patients in English and French

Application Process:

Interested candidates are invited to submit their CV, cover letter, and references to rickul.varshney@mcgill.ca. Please indicate "Community Otolologist Application" in the subject line. Applications will be reviewed on a rolling basis until the position is filled.
