

Head and Neck Academic Surgeon

The Department of Surgery (www.surgery.queensu.ca) at Queen's University is seeking a Head and Neck Academic Surgeon for a geographically full-time position. The candidate will have completed a two year Head and Neck Oncology Surgical Fellowship at the commencement of their appointment, or have been practicing in the area of Head and Neck Surgery with an interest in an academic career. Additional fellowship training, a Masters or PhD would also be advantageous. Candidates with leadership experience and the potential to assume a leadership position within the Division of Otolaryngology- Head and Neck Surgery and the Department of Surgery are given priority. The preferred candidate must have an excellent record of success working in a multi-disciplinary clinical environment. They must demonstrate strong potential for outstanding educational contributions and/or significant academic and scholarly research in line with the mission of the Division of Otolaryngology- Head and Neck Surgery. Evidence of current involvement and commitment to research through the submission of a research dossier outlining an academic plan and career goals is requested. Applicants will also be involved in undergraduate and post-graduate medical education. Submission of an educational dossier is encouraged.

Qualified applicants will hold an MD degree (or equivalent), have completed postgraduate / fellowship qualifications prior to appointment, and have or be eligible for licensure with the College of Physicians and Surgeons of Ontario and certification from the Royal College of Physicians and Surgeons of Canada. Preference will be given to candidates with an advanced degree.

The successful candidate will be a full-time member of the Division of Otolaryngology- Head and Neck Surgery and participate in the division's on-call schedule at Kingston Health Sciences Centre. The successful candidate will also be expected to contribute to the teaching, supervision, and mentorship of undergraduate, graduate, postgraduate students and fellows.

Queen's University is recognized nationally for the quality of its undergraduate and graduate programs, which attracts outstanding students. Queen's University is an integral part of the vibrant Kingston community in the heart of the Thousand Islands region of southeastern Ontario. It has a community spirit and amenities unmatched by any other Canadian university. The University and the region offer an outstanding academic and community environment (www.queensu.ca).

Prior to May 1, 2022, the University required all students, faculty, staff, and visitors (including contractors) to declare their COVID-19 vaccination status and provide proof that they were fully vaccinated or had an approved accommodation to engage in in-person University activities. These requirements were suspended May 1, 2022. However, they remain in effect for students, staff, and faculty in workplaces, including hospitals, where patient care is provided and/or where the work duties or educational requirements of the position involve or support patient care.

The University invites applications from all qualified individuals. Queen's is strongly committed to employment equity, diversity, and inclusion in the workplace and encourages applications from Black, racialized/visible minority and Indigenous people, women, persons with disabilities, and 2SLGBTQA+ persons. All qualified candidates are encouraged to apply; however, in accordance with Canadian immigration requirements, Canadian citizens and permanent residents of Canada will be given priority. Applications from

all qualified candidates will be considered in the applicant pool. In order to support your employment at Queen's, we require you to indicate whether or not you will need a work permit.

The review of applications is on-going and will continue until the position is filled. Applications are to include a letter summarizing expertise, qualifications, and accomplishments relevant to the position, a CV, and the names and full contact information of three referees. Complete applications are to be directed to: Dr. Ross Walker, Head, Department of Surgery, Queen's University, Watkins 3, Kingston General Hospital, Kingston, Ontario, K7L 2V7, Email: KGH.DepartmentOfSurgery@kingstonhsc.ca

The University will provide support in its recruitment processes to applicants with disabilities, including accommodation that takes into account an applicant's accessibility needs. If you require accommodation during the interview process, please contact the Department of Surgery at (613) 533-2660 or the email listed above.
