

Hoffman-La Roche cordially invites you to the following learning activity:

Beyond the Scalpel: Management Options for Advanced BCC

Morning Symposium

Monday, June 8, 2015 @ 07:00 – 08:00

Pan Am Room, RBC Convention Centre, Winnipeg, MB

Speaker:

Dr. Kathryn Roth

Department of Otolaryngology-Head and Neck Surgery

St. Joseph's Health Care

London, ON

Learning Objectives

1. This symposium will offer practical, case-based approach to the management options available for advanced basal cell carcinoma lesions for the head and neck, including surgical reconstruction. Audience participation will be encouraged with the hand-held audience response system.
2. Provide an update regarding the mechanism and efficacy of vismodegib in the treatment of basal cell carcinoma.
3. Discuss the side effect profile of vismodegib, and review future areas of study in the use of non-surgical options for patients with advanced BCC.

This activity made possible through support provided by Hoffmann-La Roche Ltd.
