

OTOLARYNGOLOGY - HEAD AND NECK SURGEON
Regina, Saskatchewan Canada

Remuneration: Fee-for-service, On call stipend

Benefits: Responsibility of the physician

Language of Work: English

Position Profile:

The Saskatchewan Health Authority (SHA) is seeking a team-oriented and professional general Otolaryngology Head and Neck Surgeon (FRCSC), to be part of our dynamic and expanding division in Regina, Saskatchewan. The specialist will join us in an independent full-time, fee-for-service position in a community based Otorhinolaryngology practice. Regina's Otolaryngology division currently includes 5 specialists with diverse sub-specialty interests.

Otolaryngology services are based out of the Regina General Hospital, which is the trauma centre and represents all major surgical specialties and general pediatrics. The Pasqua Hospital is a community-based hospital and referral centre specializing in Ophthalmology, Orthopaedics, Plastic Surgery, General Surgery, Urology and Oncology.

General ENT call coverage is a shared requirement for the position and is currently 1:5. You would be eligible for any on-call retainer consistent with the Specialist Emergency Coverage Program.

The SHA is dedicated to continued learning and is a partner in the growing educational needs of medical students and residents from the [College of Medicine, University of Saskatchewan](#). The University of Saskatchewan is a research-intensive institution with 22,000 students and 7,000 faculty and staff, and a strong reputation for innovation and excellence. The College of Medicine has an intake of 100 students per year with a commensurate number of positions for residency training. The [Department of Surgery](#) has distributed training sites in Saskatoon and Regina.

The successful applicant is expected to participate in the undergraduate, postgraduate, and continuing medical education programs of the Department of Surgery in the Regina Area.

The Community:

Regina is the capital of Saskatchewan, Canada and is a beautiful oasis on the prairies with a steadily growing population exceeding 230,000. According to MacLean's Best Communities in Canada 2019, Regina came in second in the Prairies and 74th across the country, scoring well in population growth, commute, amenities and culture. Regina was Canada's 33rd fastest-growing community in 2019, adding 12.7 per cent more residents over the past five years. Regina is known for its generous, friendly people and rich community pride, fueled by the "I Love Regina" campaign. This welcoming prairie city has an abundance of parks, sports and recreational facilities, bicycle pathways, family attractions and an exceptional quality of life. There are many attractions and events that take place all year in Regina for residents and tourists alike (www.regina.ca).

The Saskatchewan Health Authority:

The SHA is the largest organization in Saskatchewan, employing over 44,000 employees and physicians responsible for the delivery of high quality and timely healthcare for the entire province. We are driven by the commitment to improve frontline patient care for Saskatchewan people, and we are working together to better coordinate health services across the province to ensure that patients receive high quality, timely healthcare, wherever they live in Saskatchewan.

The SHA supports a shared commitment to a Representative Workforce that is respectful and inclusive of all staff and clients. We welcome applications from those who will contribute to the diversity of our community.

Qualifications:

Successful candidates will hold certification in Otorhinolaryngology Head and Neck Surgery from the [Royal College of Physicians and Surgeons of Canada \(RCPSC\)](#) and be in good standing and eligible for provisional or regular licensure with the [College of Physician and Surgeons of Saskatchewan \(CPSS\)](#) and to practice in Saskatchewan.

This individual should be a team player, be able to interact effectively with patients, colleagues, staff and management, and function well in a high volume environment with a commitment to provision of high quality patient and family centered care.

In accordance with immigration requirements, preference will be given to Canadian citizens and permanent residents of Canada.

The start date for this position is negotiable. Applications will be accepted until the position is filled.
