

What to Do When What Happens in the Stomach Doesn't Stay in the Stomach

Date: Monday May 12, 2014

Time: 7:00 a.m. to 8:00 a.m.

Location: Governor General III Ballroom, Westin Hotel, OTTAWA

Guest Speaker: Karen Kost, MD, FRCSC

Learning Objectives:

At the end of the session, participants will:

1. Appreciate the current evidence and controversies surrounding laryngo-pharyngeal reflux.
2. Being aware of the uses of available investigations, including esophagoscopy.
3. Understand available treatment modalities.

Breakfast will be provided.
