

# Practice Rigid Bronchoscopy!

## Simulation Symposium on Airway Management

## Satellite Symposium Rigid Bronchoscopy

The Simulation Symposium on Airway Management is pleased to offer a Satellite Symposium with a focus on Rigid Bronchoscopy. Faculty instructors will guide participants on using rigid bronchoscopes and adjunct airway instruments (such as foreign body extraction). This session is open to all attendees of the CSO-HNS Annual Meeting .

**Dates:**

Sunday, June 7, 12noon – 4pm  
Monday, June 8, 12noon – 4pm

**Location:** CSO-HNS Annual Meeting

RBC Conference Centre, Winnipeg  
EXPO booth: Storz booth

**Participation:** Open to all conference attendees

**Cost:** Free

Thank-you to Storz for generously donating the airway equipment for the Symposium.

Thank-you to the CSOHNS Pediatric Interest Group for providing Instructors for the Satellite Symposium.
