

The Department of Surgery is seeking 2 Full Time Associate Otolaryngologists.

The division of Otolaryngology in the Department of Surgery is a collaborative team of 8 Otolaryngologists who provide care in the Brampton/ Etobicoke community. The selected Otolaryngologists will provide general otolaryngology care for the Brampton site and will have access to hospital facilities including elective OR blocks and OPD time. Responsibilities will include participation in local and regional on-call coverage and all normal responsibilities associated with being a member of the medical staff at Osler. The position requires excellent communication skills in English. Additional languages are considered an asset as we serve a highly diverse population. Remuneration is fee-for-service as set by the OHIP Schedule of Benefits and Fees.

As an affiliated academic community teaching site for the McMaster University Michael G. DeGroot School of Medicine: Family Medicine program and a key clinical partner for the new School of Medicine with Toronto Metropolitan University (TMU), there is ample opportunity to participate in clinical education with medical students and residents.

The successful applicant will have an opportunity to join one of the fastest growing community hospitals offering innovative research opportunities, access to cutting edge technology, and a supportive physician wellness programs. The candidate must have a certificate of registration to practise from the College of Physicians and Surgeons of Ontario and have fellowship in Otolaryngology from the Royal College of Physicians and Surgeons of Canada.

William Osler Health System (Osler), located 40 minutes from downtown Toronto and 20 minutes from Pearson International Airport, is a multi-site hospital system serving 1.3 million people in one of the fastest growing and most culturally diverse regions in Ontario. Frequently awarded as Canada's Best Diversity Employer, a member of the Schwartz Centre for Compassionate Healthcare, and recently achieving Exemplary Standing by Accreditation Canada, Osler is committed to bringing patient-centred health care to the forefront, using innovation, compassion, and a safety-first mindset in our delivery of care. Osler invites you to answer the call to make a difference. Learn more about [who we are and join us in going beyond for healthier communities](#).
